Regards Grand Jury

with Don Rudy Foreperson

We attached the complete receipt for delivery of the 2012/2013 and also report for Water and Sanitation Districts

Please understand Jerry Hollier do not have any type of contract with me. I am 27 years here in Pine Cove and 10 years before at Inland Water District. I don't believe a contract is needed

We also believe Pine Cove provides an excellent website and we also have a good one
